Notes

In seven years at West Point, Edell compiled a 66-24 record. Taking a 6-6 team in 1977, he guided Army to seven consecutive winning seasons. His 1983 team was ranked fifth in the nation, before losing to North Carolina in the first round of the NCAA playoffs.

While at Army, Edell's teams have been ranked in the top eight nationally all seven seasons and participated in NCAA post-season play in 1978, 1981, 1982 and 1983.

Dick Edell begins his second season as head coach of the Maryland Lacrosse program having firmly established his ideals and philosophies while bringing to the team a style of play which will allow the Terrapins to once again vie for both Atlantic Coast Conference and National Championships.

In his first year, a transitional period both on and off the playing field, he led the Terps to a 7-4 record, just missing the NCAA Tournament as the ninth ranked team in the country.

Coach Edell came to College Park after being lured away from the U.S. Military Academy by Maryland Athletic Director Richard Dull in July of 1983. In his seven years at West Point, the Cadets captured over 70 percent of their contests, winning 66 games and losing only 24. Ranked among the top eight teams in the nation every year at Army, Edell carried his team to the N.C.A.A. playoffs four times, three of which occurred in his last three seasons. In 1978, he received the Morris Touchstone Memorial Award symbolic of his being chosen national "Coach of the Year" by his peers. Later that year, he directed the North squad to victory in the annual North-South Senior All-Star Game and this past summer returned to the classic this time as mentor of the South team which ended a 10-year losing streak by defeating the North 13-9. In 1984, Edell was President of the United States Lacrosse Coaches Association.

Prior to this stay at West Point, Dick Edell was head coach for both the lacrosse and soccer teams at the University of Baltimore where, in four seasons, his teams had a combined 110-33-4 record. In 1975 his soccer team captured the Division II National Championship. For three seasons (1978-80) he directed the Army soccer team and again, was highly successful with a 26-11-4 mark.

A native of Baltimore County, Dick Edell was a two-time All-American midfielder at Towson State University as well as being named the Tigers Most Valuable Player three years in a row. Graduating in 1967 with a Bachelor of Science in Physical Education, he later went one to acquire a Master of Education from Western Maryland (1970) and a Master of Science from the University of Baltimore (1976).

Coach Edell and his wife of 18 years, Dolores, are the proud parents of four children: Lisa, 15; Kris, 12; Gregg, 7; and Erin, 1½. The Edells now reside in Glenelg, Maryland.

Assistant Coaches

Coach Dave Slafkosky

Dave Slafkosky is in his second year as the Terrapins defensive coordinator and his ninth year in association with Dick Edell.

Coach Slafkosky is considered to have one of the brightest defensive minds in the game today. He moved to College Park along with Coach Edell from the U.S. Military Academy. While at Army, the Cadets were recognized for especially tough play in their own half of the field.

A graduate of Johns Hopkins University, Dave Slafkosky played midfield for the Blue Jays and led them to the 1974 NCAA Championship.

Dave and his wife, Michelle, are natives of Annapolis, Maryland, and have two children, Daniel age four and Sarah age two.

Kevin O'Leary, a 1984 graduate of the University of Maryland remains with the Terrapins this Spring as an assistant coach where his main responsibilities will be with goaltenders and the recruitment of prospective student-athletes.

O'Leary was a four-year starting goaltender for the Terps and captained the team his senior season.
